The Committee on Fiscal Policy (DiCeglie) recommended the following:

Senate Amendment (with title amendment)

Between lines 388 and 389

insert:

Section 5. Subsection (3) is added to section 366.075, Florida Statutes, to read:

366.075 Experimental and transitional rates; experimental mechanisms.—

(3) The commission may establish an experimental mechanism to facilitate energy infrastructure investment in gas consistent

11 with the structure set forth in s. 366.96(7) and (8) and the
12 intent of s. 366.91(1). Such gas infrastructure investment may
13 include only investments that collect, prepare, clean, process,
14 transport, or inject gas, which has the same meaning as the
15 definition provided in s. 366.91(2)(f), for pipeline
16 distribution. The commission shall have discretion to determine
17 whether such mechanism is conducted in an annual proceeding. The
18 commission shall adopt rules to implement and administer this
19 subsection and shall propose such rules for adoption as soon as
20 practicable but no later than January 1, 2025.
