Senator DiCeglie moved the following:

**Senate Amendment (with title amendment)**

Between lines 576 and 577  
insert:

Section 14. Paragraph (a) of subsection (1) of section  
341.061, Florida Statutes, is amended to read:

341.061 Transit safety standards; inspections and system  
safety reviews.—

(1) (a) The department shall adopt by rule minimum safety  
standards for governmentally owned fixed-guideway transportation  
systems, ~~and~~ privately owned or operated fixed-guideway

12 transportation systems operating in this state which are  
13 financed wholly or partly by state funds, and any governmentally  
14 or privately owned fixed-guideway transportation systems  
15 operating in this state which are located within an independent  
16 special district created by local act which have boundaries  
17 within two contiguous counties. Standards must be site-specific  
18 for fixed-guideway transportation systems and shall be developed  
19 jointly by the department and representatives of the affected  
20 systems, giving full consideration to nationwide industry safety  
21 norms relating to the development and operation of fixed-  
22 guideway transportation systems. The department shall conduct  
23 structural safety inspections in adherence with s. 335.074 for  
24 any fixed-guideway transportation systems that are raised or  
25 have bridges, as appropriate. Inspectors shall follow  
26 departmental safety protocols during safety inspections,  
27 including requiring the suspension of system service to ensure  
28 the safety and welfare of inspectors and the traveling public  
29 during such inspections.
